

Dear Resident

A couple of brief notices from the Triangle Amenity

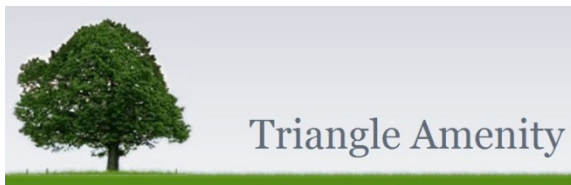

First, please find attached an invitation to a Children's Tea Party in the garden on 2<sup>nd</sup> June. Puppeteer Diane will be in attendance, alongside other activities. Once described as "just the right amount of mad" her show is a treat for all ages.

Second, roadway residents may notice new signage later this week as we migrate to a different car parking enforcement company, Met Parking. Fear not, your existing permits are still valid until November under the new regime. If you have any questions or issues during this transition, please contact the managing agent. Their phone number is on our website.

Finally, please continue to save 8<sup>th</sup> Sept for music and drinks in the Garden.

Best wishes,

The Triangle Committee  
8<sup>th</sup> May, 2013
